

Department:	Math and Science
Position Title:	Biology Lab Assistant
Reports to:	Deirdre Cassell

Minimum Qualifications:

Completion and good working knowledge of course content in a minimum of BY 111/112, but higher biology courses are preferred.

Duties and Responsibilities:

Preparation of lab experiment materials, cleaning and organization of lab spaces, resource for student questions, other duties as needed.

Environmental and Working Conditions:

Normal environment found in an educational setting.

Physical Demands and Aptitudes:

Able to lift 5 pounds on a regular basis and 25 pounds maximum, periodically. Even though the weight lifted may be a small amount, a job is in this category when it requires walking or standing to a significant degree, as well as pushing and pulling of arm and/or leg controls. Job requires the ability to reach, handle, finger, feel, talk, hear, see, squat, and kneel.
