Undergraduate and Graduate Student Orientation
2018-2019

Welcome!

This orientation is the next step on your journey toward graduation. It will take approximately 15-20 minutes to review the information. It is in PDF format so the links are not live, you will have to copy and paste them into your browser. Please save this page to your internet favorites so you may refer back to it for quick answers. Brenau is committed to meeting the needs of our students, and this orientation will help you learn about the support services available at Brenau.

This orientation supplements other publications such as the University Catalog, Student Handbook, and Schedule of Courses. Students should carefully read all publications printed and posted on the Brenau web site www.brenau.edu and Intranet https://intranet.brenau.edu and understand their responsibilities concerning institutional policies and procedures. While every effort is made to provide accurate and current information, Brenau reserves the right to change, without notice, information contained in this orientation.

Each section below provides an overview of important information and links to support services Brenau provides for nonresidential students.

General Information
Brenau University offers daytime, evening, and online course options at five locations. The university tailors the mode of delivery to the needs of the student who is seeking a degree but finds daytime classes inconvenient or incompatible with career and family responsibilities. Evening classes are scheduled in four-hour blocks one night per week. Weekend classes provide courses on alternate weekends for the length of the semester. Some courses are offered each week for the entire semester. Online sessions meet in the virtual classroom via a web portal (Canvas) with no on-campus attendance requirement. Each format involves interaction, study, close working relationships with instructors and fellow students, and maximum opportunities for self-directed learning.

Organization and Structure
The Office of the Provost is responsible for the administrative operations of the Adult Programs and Support Services, and the academic operations of the Undergraduate and Graduate Programs. The deans and department chairs are responsible for their respective faculty and academic programs. All of our locations receive operational oversight by a local Campus Director and a lead faculty member.

Statement of Student Responsibility

Admission to and attendance at Brenau University is a privilege. The University expects students to conduct themselves with dignity, courtesy, responsibility and integrity, and with due respect for the rights of others. Professional behavior toward administrators, staff, faculty, campus service providers, and other students is expected at all times. Students may be involuntarily withdrawn for failure to comply with institutional policies, requirements, and standards of conduct.

All colleges and universities establish certain requirements that must be met before a degree is granted. These regulations concern such things as curricula and courses, majors and minors, required institutional testing and residency requirements. Advisors, faculty, and deans assist students in meeting these requirements; however, students are responsible for fulfilling them. If not all requirements have been satisfied at the end of their course of study, degrees are withheld until the student satisfies all requirements. It is the student’s responsibility to be familiar with the program requirements and to complete them for graduation.

Grievance Policy

Students are held responsible for being acquainted with regulations and procedures, as stated in the university catalog at https://www.brenau.edu/academics/registrar/ and other official publications of Brenau. It is important that students read these publications, such as the student handbook located at https://intranet.brenau.edu/download/student-handbook/, and remain informed throughout their academic career.

To remain in good standing, students are also required to meet their financial obligations as specified in the University Catalog. Failure to do so will result in the withholding of grades and/or transcripts until bills are paid in full. Students whose accounts are not current will not be allowed to register for courses until accounts are paid in full.

Students are encouraged to resolve problems through the University Chain of Command. However, should that fail, a grievance process is in place. The grievance procedures of Brenau University are designed to provide effective means for resolving legitimate issues that are subject to the grievance process. Brenau University affords two grievance procedures, depending on the nature of the grievance. The Formal Grievance procedure is for non-academic concerns, and the Academic Grievance procedure is for concerns related to classroom issues other than grade appeals. (Grade appeals are not covered by this procedure.) Students dissatisfied with their grades must follow the procedures outlined in the Student Catalog

Communication via email

Students are issued a Brenau email address that ends in @tiger.brenau.edu. This is the official means of communication with your professors and the university. Please check it daily. Login instructions to your Brenau accounts are available for your CampusWeb, Canvas, and Email accounts at https://my.brenau.edu or more specifically through our help desk site link here: https://brenau.jitbit.com/helpdesk/KB/View/2627874-how-do-i-log-into-my-brenau-accounts. Your user name and first time user instructions were sent via email to your personal email address. Please notify the Brenau Help Desk at 770-538-4774 or helpdesk@brenau.edu if you have not received these instructions.

Attendance Policy

Start dates for all classes are listed on the Registrar’s web site under Calendars and Schedules at https://www.brenau.edu/academics/registrar/regsched/

Students are expected to attend all on-ground class meetings, particularly the first class meeting. If a student must
miss class due to a serious emergency, the student should notify the professor as soon as possible. Students will be responsible for the work missed due to absence from any class period or any portion thereof.

Grades will be affected by any absences or tardiness, at the discretion of the professor.

Online classes do not take place at a particular time; the times are flexible, dictated only by the individual schedule of each student. Online students should be “present” in order to keep up with assignments and participate fully in class discussions. Consult individual syllabi for the specific attendance policy of your instructor.

Learning is achieved through individual inquiry, collaborative process (student to student and student to faculty) and personal synthesis of ideas into meaningful inference. Outcomes are determined by qualitative analysis of student input, traditional and non-traditional subjective and objective testing models, and group and/or individual projects and/or case studies.

Minimum Requirements for Student Technology
Link for recommended personal computing technology requirements for students to consider when purchasing a computer for use at Brenau University: http://archive.brenau.edu/requirement/.

Online Classes
Students registered for online classes who do not attend are NOT automatically dropped. If you register for an online class and do not intend to participate, you are responsible for dropping the class yourself. Not dropping the class could result in failing grades on your transcript or unmet financial obligations to the university. Drop forms are located on the Office of the Registrar's web page at https://www.brenau.edu/academics/registrar/regforms/. Please be sure that you have access to a computer, not just a smartphone or e-reader as many functions you will be required to complete may not work on these devices.

All Brenau University online courses are located in the Canvas Course Management System. If you would like to view the student orientation site in Canvas, you can do so at https://brenau.instructure.com/enroll/FXAGP9. You can access Canvas through my.Brenau.edu.

Financial Aid

Brenau University provides a comprehensive financial aid program to assist students in funding their educational costs. Undergraduate students may apply for federal and state grants, as well as federal student loans. Graduate students may apply for federal student loans. Following are the typical steps a Brenau student must follow in order to take advantage of available financial aid programs:

1. Complete all Brenau University admissions requirements for your desired program of study. In order to avoid processing delays, you should work on completing your admissions file at the same time you begin the financial aid application process.

2. Complete the Free Application for Federal Student Aid (FAFSA) on the Web at www.fafsa.gov. Electronic filing of the FAFSA requires that each student filer obtain a Federal Student Aid ID (FSA ID) in order to electronically sign the application. For students who are required to file the FAFSA with parent information included, one parent must also have his or her own FSA ID. FSA ID's can be obtained at www.fsaid.ed.gov. The FSA ID also allows a student to access his/her FAFSA at any time to make corrections or select additional schools to receive the results. The FAFSA serves as the preferred application for both federal and state financial aid programs. All students are encouraged to file a FAFSA annually.

3. If you do not wish to apply for federal student aid programs or to complete a FAFSA, and you are a Georgia resident pursuing an associate’s or bachelor’s degree, you must apply for state aid programs such as the HOPE Scholarship and the Georgia Tuition Equalization Grant online at https://gafutures.org. You must sign in if you already have an account on this site (formerly gacollege411.org); if you don’t have an account, you’ll need to create one. Even if you know you do not qualify for the HOPE Scholarship because of the GPA requirements of the program, you may qualify for the Tuition Equalization Grant as a full-time undergraduate student.

For additional financial aid information, please visit our web pages at https://www.brenau.edu/admissions/financialaid/. You may also email us at financialaid@brenau.edu or call 770-534-6152 and select from the menu of options. We will make every effort to respond to your inquiry within 24 hours.

**Counseling:**
Brenau University encourages students to seek assistance for matters pertaining to their psychological well-being when necessary. Counseling services provided under the supervision of licensed counselors can be beneficial for students coping with the pressures and responsibilities associated with college. The office of the University Counselor, Gay Baldwin LPC CPCS, is located at 205 Boulevard on the Gainesville Campus. The University Counselor is happy to meet with any currently enrolled Brenau student during regular business hours in person or by phone. Appointments are strongly recommended.

1. Brenau offers free counseling to Brenau students on a limited basis (usually no more than 3 visits per semester) who are experiencing problems that interfere with their lives, studies, or relationships. The University Counselor screens students to determine whether the students are in need of specialized mental health treatment and makes appropriate referrals for such treatment. The Counselor’s supervisors may be informed when referrals have been made without disclosing the substance of the conversations with the student, unless the student is at risk to harming herself or others under which circumstances additional information will be required.

2. Students at regional campuses, for whom travel to the Gainesville Campus during regular office hours is not an option, are encouraged to seek counseling services through the following resources:

   a. If you have insurance: Call your insurance company and ask about your “behavioral health coverage” to verify your benefits. If you have coverage, ask for a list of “behavioral health providers” in your area.

   b. If you do not have insurance or you have Medicaid or Medicare and live in Georgia: Call the Georgia Crisis and Access Line at 800.715.4225 to locate the nearest counseling center in your area. The Access Line professionals can connect you with services for addiction and mental health treatment along with child and adolescent services. You will have access to counselors and psychiatrists who can prescribe medications if needed. You may also call this 24/7 number if you are experiencing a crisis and need to talk with someone immediately.

   c. Norcross or Gainesville BCCPS Clinic (Brenau Center for Counseling and Psychological Services) provides low-cost counseling to students, their family members, and the community. Anyone interested in counseling services can contact the clinic at 770-297-5959 (Gainesville) or 470-228-8942 (North Atlanta). After providing some basic information at the initial phone call, your assigned counselor will call to set up an appointment. Sessions are typically scheduled for 50 minutes, once a week. You can reschedule or cancel appointments with 24 hour notice. Cost: Brenau students – $5 for first intake appointment; $5 each session, Faculty & alumni – $25 for first intake appointment; $15 each session Community members – $25 for first intake appointment; $20 each session Psychological assessments are offered on a sliding fee scale. Call to inquire.

   d. Self-Directed Search: To locate a counselor or psychologist in the United States use the “Find a Counselor” option from the American Counseling Association at www.counseling.org/Resources/CounselorDirectory/TP/Home/CT2.aspx or the “Find a Psychologist” option from the American Psychological Association go to http://locator.apa.org/.

**FREQUENTLY ASKED QUESTIONS**

**REGISTRATION PROCEDURES**

How can I register online?
How many hours do I need to take to receive financial aid?
Most financial aid programs are available for students enrolled at least half time, but some programs may require full-time enrollment. Full-time status for undergraduate students is 12 hours or more; whereas, half-time students must enroll in at least 6 hours. For graduate students, 6 hours is considered full-time and 3 is considered half time. (Note that many of Brenau's graduate programs require more than 6 hours per semester as a condition of that particular program.) Your financial aid award notification will indicate the number of hours per semester your costs and aid are based on. Adjustments may be required if you do not intend to enroll at the level specified. Please notify the Office of Financial Aid if your enrollment intentions do not agree with our projections.

What is a program plan?
Before students register for classes for the first time, they must meet with their Advisor to develop a program plan of study. This plan includes the general education requirements, degree requirements, general electives, and major classes needed to graduate. Blank program plans are available online at the Registrar's Office http://www.brenau.edu/?page_id=1709.

How do I know which courses from other schools transfer to Brenau?
After a student is accepted to Brenau, a credit evaluation is completed for each official transcript. Courses from regionally accredited colleges and universities may transfer. Technical school associate's level credit may also transfer. Each course must be comparable to a course at Brenau and the grade must be a “C” or above for undergraduates and “B” or above for graduate students. Undergraduate transfer credit must be degree-level and completed at a regionally accredited Institution. Program specific coursework not completed within the last fifteen years will need to be approved by the department chair to be included in a student’s program of study. Courses with technical content taken over five years prior to admission may not be eligible for transfer. There is a limit of how many hours you may transfer from another college. Please see the Brenau Catalog for more information: http://catalog.brenau.edu/content.php?catoid=6&navoid=277&print.

Graduate transfer credit from an accredited institution will be honored for a period of seven years from the date of the course completion but limited to a maximum of six credit hours. Departments will review these courses individually.

How do I get my textbooks?
The Brenau Bookstore (see the guide at the end of this document) http://brenau.bncollege.com (note your textbooks are NOT available at your local B&N retail outlet). There is a link in CampusWEB under My Schedule that will allow you to add books to your B&N cart automatically.

Students may select NEW or USED books, as they prefer. However, the price quoted with USED books in the cart may not be the final total, as the bookstore will fulfill your order with NEW if the USED are no longer available. Students are NOT charged on a credit or debit card until the bookstore physically fills and processes the order. You may choose to have your order shipped to you or pick it up in store at the Brenau Bookstore on the Gainesville, GA campus.

Book Vouchers
If the total of your scholarships, grants, and student loans exceed your tuition and fees, you may be eligible for a book voucher. Please contact the Accounting Office at 770-534-6150 to see if you qualify.

How do I get a copy of my Brenau transcript or verification of enrollment?
Transcripts and verification of enrollment may be obtained from the Office of the Registrar upon submission of a written request to http://www.brenau.edu/academics/office-of-the-registrar-2/request-a-transcript-2/.

How do I know if I qualify for experiential credit and what do I need to do to receive it?
Experiential credit is academic credit awarded for relevant experience/knowledge obtained through some means other than college course work. Students will be considered for experiential credit only after they have been officially accepted to the university and issued a program plan. Students can then schedule a preliminary conference with the chair of the department in which they are seeking credit. Experiential credit is not awarded for most graduate level degrees. The form is available at http://www.brenau.edu/?page_id=2806.

**How do I apply for graduation?**

Graduation packets are sent to potential graduates in September of each academic year through Brenau email. In addition, applications for graduation are available on the website at http://www.brenau.edu/?page_id=2806. Students must submit an application for graduation to the Registrar's Office no later than December 1 of the academic year in which they anticipate completing their program of study. There is a late fee of $75.00 on any application received after this date. Absolutely no graduation applications are accepted after January 1.

**When I complete my undergraduate degree or certification program, can I go straight into a graduate program?**

Not automatically. Each program is different and has different admissions criteria. An application for graduate admission must be completed along with all necessary supporting documentation required by the program. Contact the Graduate Admissions office to determine the necessary steps to complete an application.

**TUITION AND FEES**

**Payment Options**

Tuition is due and payable by the first day of each semester during the academic year. Tuition balances may be paid using check, money order, or credit cards. Payment can be made in person or over the phone to the Accounting Office (770-534-6150) with Visa, MasterCard, American Express, and Discover or at the campus where you attend or by e-payments available through https://campus.brenau.edu/. When you click the link titled "My Billing" in Campus Web, you will see a PAY NOW button. Simply click the button and fill in the online form with your name, address, and credit card information. Upon successful payment, your student account will reflect the payment in real time.

Students may also enter into either of two payment option to defer part of the tuition payments to later dates in the session the students begins courses I any semester.

- Payment contracts must be signed within the first week of the session the student begins courses in any semester. A deferred payment fee is assessed for the contract. A fee is imposed on each delinquent payment received. The terms of the payment options are listed in the Catalog. http://catalog.brenau.edu/.

- Students may also choose one of the following options to cover tuition costs (these may be used in conjunction with another option):
  - Third party billing – your employer pays prior to the receipt of grades. The university invoices your employer on your behalf.
  - Tuition Reimbursement – Your employer pays more than 50% of your tuition costs. Students must submit their company's reimbursement policy to qualify. Tuition payment related to reimbursement is deferred until 30 days after the term. Any amount not covered by tuition reimbursement is due in accordance with the above policy.

**Tuition Rates**
Tuition rates are published annually in the Brenau University Catalog. Students should contact the Financial Services Office with any questions concerning specific rates and fees. http://www.brenau.edu/about/offices-and-resources/tuition-fees-and-accounting-office/.

Refunds
In the event a student must withdraw for medical or other verified reasons, two types of tuition adjustments may be made: a credit to the student’s account for the current or next semester and/or a refund of that credit balance. If a course is cancelled, students receive a 100% refund.

Students who wish to drop courses or withdraw must complete a drop form that is available at each site or on the registrar’s website at http://www.brenau.edu/academics/office-of-the-registrar-2/. If they desire a refund of any credit balance that might result from dropping or withdrawing, students must request in writing a refund of any credit balance from the controller or student accounts manager of the university. No institutional officer other than the controller or student accounts manager may authorize refunds of tuition. Advisors/coordinators/directors have no authority to make commitments concerning or to grant refunds. Refunds will generally be processed within 30 days after all necessary documentation (drop/add, written request for refund) is submitted. This policy also applies to weekend courses.

If you of your financial aid awards exceed your tuition and fees, you may be eligible for a book voucher. Please contact the accounting office at 770-534-6150 if you may qualify.

Return of Title IV Funds
Students who receive federal Title IV assistance and completely withdraw from a semester will be subject to the return of Title IV funds policy mandated by the U.S. Department of Education. Federal Title IV assistance includes Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Work-Study, and Federal Perkins Loan; TEACH Grant, Federal Direct Loan, Parent PLUS Loan, and Graduate PLUS Loan. This policy assumes that a student earns his or her aid based on the period of time he or she remains enrolled. During the first 60% of the semester, a student earns Title IV funds in direct proportion to the length of time he or she remains enrolled. A student who remains enrolled beyond the 60% point earns all aid for the semester. The percentage of the semester that the student remained enrolled, and for which aid was earned, is derived by dividing the number of days the student attended by the number of calendar days in the semester, excluding breaks of at least 5 calendar days.

Any unearned Title IV funds, with the exception of Federal Work-Study earnings, must be returned to the U.S. Department of Education. In calculating which types of funds are to be returned, loans are always returned before grants, thereby reducing the withdrawn student’s outstanding debt as much as possible.

The detailed rules for the calculation of the return of Title IV funds are available on request from the Office of Financial Aid or the Accounting Office.

Delinquent Accounts
Students whose accounts are delinquent forfeit their right to attend classes, take final examinations, or otherwise participate in the academic program until satisfactory arrangements have been made with the Financial Services Office to meet financial obligations. Diplomas, certificates, and transcripts are issued only when the students’ accounts have been paid in full. Students whose accounts are delinquent as of the payment due dates for each semester will not be permitted to register for the following semester, nor will they receive final grades for the semester in which they are currently enrolled. Accounts may be turned over to a collection agency if adequate arrangements are not made. This may affect your credit rating.

All financial records must be cleared and paid in compliance with institutional procedures in order for the student to be identified as “in good standing”. In addition, no recommendations, degrees, transcripts of credit, diplomas, or
other correspondence will be issued on behalf of the student until all financial obligations are satisfied.

HOW TO ORDER TEXTBOOKS
Textbooks are available through the Barnes&Noble Campus Bookstore. The Library does not purchase or lend textbooks. Please note that only the Brenau Bookstore guarantees you a return if your professor changes the book. See the Brenau Bookstore for details.

You may be able to use financial aid to cover the cost of your textbooks. If you have excess financial aid after tuition and fees have been paid, you may be eligible for a voucher. Book vouchers can be issued up to the day your financial aid is posted to your account. At that time, your account is on hold for refund processing.
