An allied health job at Northeast Georgia Health System is more than a job. It's a career. Here you'll find more of what you want. More support. More opportunities. More innovation. More teamwork. More technology. It's simply more than you expect. And, what's more is that we listen to our staff. We make it easier for you to love what you do, day in and day out. Our rehab as a whole for Northeast Georgia Health System helps patients regain independence with the goal of returning home. With six outpatient locations throughout the region - from northern Metro Atlanta along I-85, to Cumming and Dawsonville along GA-400, and into the North Georgia mountains - our therapists help each patient establish goals for recovery. We also have a 24-bed Inpatient Medical Rehabilitation unit at Northeast Georgia Medical Center Gainesville to help patients regain their independence and return home as quickly as possible. Our physical therapy jobs and occupational therapy jobs put state-of-the-art treatment options at your fingertips.
