

Position overview: We are seeking a Registered Occupational Therapist to join our team! In this position you will evaluate and treat patients with a wide variety of syndromes, delays, and/or disorders. Primarily focused on pediatrics.

Responsibilities:

- Develop therapy and treatment plans for gross motor, fine motor, sensory, etc.
- Implement standardized tests for accurate assessment
- Establish treatment goals and milestones with patients
- Document treatment plans and progress reports
- Update patient progress to relevant parties
- Maintain evidence-based practices
- Engage caregivers in home plans and maintain rapport with patient families

Position Requirements:

- Ability to work in Warner Robins, GA location
- Excellent communication skills written/verbal
- Strong computer skills
- Board Certified
- Multidisciplinary approach

Qualifications:

- Graduate student or OTR who is sitting for boards or has already passed boards exam
- Georgia license
- Familiarity/desire to work with pediatric populations, including, but not limited to sensory development
- Ability to build rapport with patients
- Excellent written and verbal communication skills
- Positive and patient demeanor
- Professional manner

Benefits:

- Healthcare
- Life Insurance
- Flexible hours/schedule
- Competitive pay
- Work side by side with board certified OTR on a daily basis

Employer Snapshot:

We are a privately owned outpatient pediatric clinic specializing in Physical, Occupational, Speech-Language, and Feeding therapy services treating all Middle GA. We have a dynamic and family-oriented approach and are looking for an OT ready to join our team!
