

We are looking for creative, passionate, and energetic Pediatric Occupational Therapists to work with children of all ages. We have positions available in Loganville and Watkinsville.

Activekidz and Adult Therapy is a privately owned company operating since 2001 with locations in Toccoa, Watkinsville, Loganville, and Braselton. We are a multidisciplinary clinic. We offer Physical Therapy, Occupational Therapy, and Speech Therapy. Our therapists work closely together to provide the best care possible for our Activekidz.

We believe so strongly in our company and our team, that we would be happy to provide information of current therapists that you could contact with any questions you might have. We love our company and each of our therapists. If you don't believe us, check out our Facebook page: [https:// www.facebook.com/Activekidz-Therapy-ServicesActivekidz-Adult-Therapy](https://www.facebook.com/Activekidz-Therapy-ServicesActivekidz-Adult-Therapy)  
Website: [www.activekidztherapy.com](http://www.activekidztherapy.com).
