

Welcome to Norman Farms

- ◆ We believe in celebrating ABILITY. We are a family-owned facility and we provide pediatric PT in a farm setting. We believe therapy outside is more motivational to our patients and we incorporate equine movement with hippotherapy techniques where appropriate.
- ◆ We are seeking a likeminded OT to join us on the farm.

Benefits of joining our team:

- Full time or Part time options
- Setting your own schedule

Please contact us for more information.
