Southern Virginia Mental Health Institute (SVMHI) in Danville, VA is looking to hire a full-time Occupational Therapist to join the Psychosocial Rehabilitation Team here.

SVMHI is a 72-bed state inpatient psychiatric facility serving adults, ages 18 - 64 years old.

This is a unique position for an OT to utilize their mental/behavioral health training through groups, individual therapy, and OT specific consultation/treatment interventions.

Our Vision

To be an integrated and collaborative resource that improves the quality of life for individuals with or at risk of mental illness through a system that promotes the highest level of consumer participation in all aspects of community life.

Our Mission

To provide a safe environment that promotes opportunities for people to improve their lives.

Our Purpose

As an institution of the Commonwealth, our charge is to clinically treat individuals placed in our care, ensuring their rights are protected, while holding them responsible for their actions in order that they can begin the journey to the community of their choice.

Our Motto

Promoting recovery through self-determination, empowerment and treatment.
