

OT for Inpatient Rehab in San Angelo, TX – mentorship for new grads

We are ready to interview May 2023 grads. Secure your new career before all the other new grads!

Seeking Occupational Therapist for inpatient rehabilitation hospital in San Angelo, TX that provides a higher level of comprehensive inpatient rehabilitation services designed to return patients to leading active and independent lives. Our hospital provides a wide range of rehabilitation services with all the most innovative equipment and the latest technology with an experienced staff to mentor a new grad. This is a great place with a rich learning environment to start your new career!

Therapy is majority one-on-one sessions. We have top of the line equipment including robotic arm, functional e-stem, etc. All patients have private rooms. We have two bariatric rooms and two isolation rooms. We are a 40-bed facility. We have an outside courtyard that is integrated into therapy.

In addition to caring for general rehabilitation diagnoses such as stroke, spinal cord injuries, orthopedic conditions, amputation, pulmonary rehab, brain injury, multi-trauma, neurological disorders, cardiac rehab, dysphagia, rheumatoid disorders, myopathy, and industrial rehab, we offer a specialized inpatient program for stroke.

We have a vast network of highly skilled, independent private practice physicians, therapists, and nurses, and the most innovative equipment and rehabilitation technology, ensuring that all patients have access to the highest quality care. We offer a specialized inpatient programs for stroke and brain injury that are accredited by The Joint Commission.

Our hospital has earned The Joint Commission's Gold Seal of Approval (R) for Disease-Specific Care Certification in brain injury and stroke rehabilitation.

As part of our hospital team, you will experience a therapy-focused environment which includes:

1. Cutting edge rehabilitation technology including robotics, biofeedback and functional electric stimulation systems
2. Spacious and functional work areas designed for patients and clinicians
3. Strong leadership and training through mentorships, promotional opportunities, and continuing education
4. The most comprehensive and extensive patient education tools in the industry
5. Use of evidence and outcomes to continually assess and improve our programs.

San Angelo, Texas is located in central west Texas and has a population of 100,000. You will have an easy commute no matter where you live -- with very little traffic. San Angelo is surrounded by many small rural communities as well. We have a junior college (Howard College) and are home to Angelo State University and a large military base. The downtown area has abundant restaurants, entertainment, local art scene and shopping and the beautiful International Lily Gardens. We have a large indoor rodeo and livestock show each year that

attracts thousands of people. We enjoy Lake Nasworthy and the San Angelo State Park for those who have an outdoor adventure side.

- Starting Salary for a new grad is \$73,000 and goes up with experience.
- Relocation assistance.
- CEU's – up to \$2500 yearly per facility budget.
