

Job Announcement

Occupational Therapists for Inpatient Rehab facility in Boise, ID

We provide mentorship to new grads!

We are seeking Occupational Therapists to join our team in Boise, ID. As an Occupational Therapist you'll be the connection between compassionate care and the real, positive results your patients are striving to achieve. Use your skills within our inpatient rehabilitation setting to provide the nursing perspective and attention to detail that our highly specialized, integrated team approach requires. Elevate expectations and outcomes with a national post-acute care leader.

Join a team that is passionate about making an impact on patients' lives each day. Unlike the typical hospital setting, we offer you the unique opportunity to walk alongside patients on their road to recovery from stroke, spinal cord injuries, neurological disorders, joint replacements, multiple trauma, and cardiac/pulmonary conditions. As you help patients achieve goals and regain independence, you can form significant relationships with them and celebrate the successes they experience along the way.

Here you'll find something decidedly different and more satisfying: A career that is challenging, inspiring and rewarding. Maximize your talent, and join a team that is committed to setting the standard for better healthcare with this engaging opportunity.

We have a Preceptor who will provide assistance for new grads to obtain additional learning in a rich learning environment! Our team works closely together and get along very well.

As part of our hospital team, you will experience a therapy-focused environment which includes:

1. Cutting edge rehabilitation technology including robotics, biofeedback and functional electric stimulation systems
2. Spacious and functional work areas designed for patients and clinicians
3. Strong leadership and training through mentorships, promotional opportunities, and continuing education
4. The most comprehensive and extensive patient education tools in the industry
5. Use of evidence and outcomes to continually assess and improve our programs

We also provide:

- Competitive salary
- Excellent benefits begin first day of hire!
