

OrthoGeorgia is hiring for a full-time Occupational Therapist: CHT or working toward CHT preferred. OrthoGeorgia offers a sign on bonus, competitive pay, full benefits package as well as continuing education and bonus opportunities. Therapist will have the opportunity to work directly with our orthopedic surgeons on treatments for the shoulder, elbow and hand patients; will provide training if not verse in a particular area. The therapist will also have the opportunity to collaborate with multiple OTs and CHTs. Our current opening is for our Warner Robins, GA location.

#### Duties and Responsibilities

- Responsible for the evaluation, plan of care, treatment, re-evaluation, discharge, and appropriate communications of therapy services to patients with orthopedic injuries and conditions
- Correctly and efficiently document patient care information on EMR
- Work positively and effectively with all team members (physicians, MAs, technicians, staff members, case managers) to create a positive treatment environment to help patients achieve the best outcomes possible
- Knowledgeable on common diagnoses and treatments related to the shoulder, elbow, and hand
- Maintain certifications and licenses

#### Education and Experience

- Minimum: Bachelor's Degree in OT
- Licensed in the state of Georgia
- Board Certified through NBCOT
- CHT preferred
- Minimum: New Grads will be considered
- CPR certification
