

Beyond Limits Pediatric Therapy Center provides exceptional audiology, speech, physical, and occupational therapy to children in our community. In order to do that, we need exceptional people like you to join our team!

We are hiring **full-time and a part time Occupational Therapists** to join our team of supportive pediatric professionals who love to see our patients—and each other—grow and succeed in life. Our employees pride themselves on being part of a team that works together to achieve the best results for our patients, our staff, and our clinic. If you enjoy working in a fun collaborative environment and want to be part of our mission, reach out to us today!

Whether you are a new graduate, are seeking a better work-life balance, want to improve your skills, earn a new certification or take on leadership responsibilities, we offer multiple opportunities for employee success including mentorship, support for continuing education, internal training to broaden your skills, ability to work with a wide range of diagnoses, and collaboration across multiple disciplines.

Our employees are our most valuable assets, which is why we invest in them with comprehensive benefits, growth opportunities and professional support. If you share a passion in making a difference in the lives of the children we are honored to serve, want flexible hours, and a dynamic career opportunity, come join our team! Please tell us about your pediatric passion by submitting your resume to kimberly@blptc.org
