

Children's 1st Rehab Center and Developmental & Rehabilitative Services is currently seeking talented and dedicated professionals in the fields of Physical, Occupational, and Speech therapy. Our company has a strong reputation for providing exceptional care to our patients, and we believe that the success of our organization is directly linked to the skills and expertise of our therapists.

We value the commitment and dedication that therapists bring to their work, and we take great pride in offering a supportive and nurturing environment for our team. At Children's 1st rehab center and Developmental & Rehabilitative Services 2, you will have access to cutting-edge resources, ongoing professional development opportunities, and a collaborative network of skilled colleagues.

Whether you are a seasoned therapist with years of experience or a recent graduate looking to launch your career, we invite you to explore the rewarding opportunities that await you at our company. As a therapist with us, you will have the chance to make a meaningful impact on the lives of our patients, helping them achieve their goals and regain independence.

Please feel free to reach out to us at ghostwriter@childrens1st.com and/or dedwards@childrens1st.com to learn more about the positions available and the benefits of working with our company.
