

# PART-TIME CAREGIVER WANTED

We are in search of a part-time caregiver in Suwanee, GA for our seven-year-old son who has cerebral palsy. Highly intelligent while semi-verbal and moderately mobile, Jackson is a young man who is full of personality and energy. A huge fan of baseball, football, and games, Jackson is excited to share his funny sports opinions or watch highlight videos when not playing games with one of his siblings. He loves school and his favorite subject is math.

We are looking for someone to serve as a companion for Jackson when he is at home, and occasionally while out in the community. We'd like to find someone who is able to assist with various home therapy programs, activities of daily living, and Jackson's hobbies and recreation. We would love to partner with a local student who is enthusiastic about gaining experience working with a child with cerebral palsy, getting exposure to various therapy techniques, and growing his or her skills in practical ways.

## Qualifications:

- Student or alumni of PT, OT, ST, special education or related field
  - May consider an exceptional high school student who has interest in these areas
- CPR certification
- Background check
- Independent transportation
