

NOW HIRING PART TIME

PEDIATRIC OT OR COTA

We are looking for someone to help us provide therapeutic services in our clinic in the afternoons. Position starts as part time, but more hours will become available as we build up the caseload. We also have morning hours available at a local school.

JOB RESPONSIBILITIES

- Implement individual treatment plans
- Develop fun & novel activities to meet client's individual goals
- Communicate with parents during/after therapy sessions to provide summary of what was worked on during the session & to share any progress updates or recommendations for what to work on outside of therapy
- Contribute to ongoing assessments & update treatment plans
- Contribute to the development and implementation of groups including gross motor, fine motor, and sensory groups

JOB REQUIREMENTS

- Have Georgia licensure
- Afternoon availability Monday thru Thursday
- Strong written & verbal communication skills
- Experience working with children

BENEFITS

- Compensation starting at \$25/hour (COTA) (OT reach out for compensation details)
- Access to mentorship from an occupational therapist with 30+ years of field work experience.
- Generous time off around winter holidays & throughout the year
- Guaranteed hours
- 4 day work week
- Potential to grow
