

Pediatric Occupational Therapist

Occupational Therapy - Eugene, Oregon

Job description

Connect the Dots is looking for an *experienced* Pediatric Occupational Therapist to join our special team of pediatric professionals. We serve children from birth to 18 years of age with a wide variety of needs. Our therapists thrive in helping children and their families at challenging times in their lives.

Job Description:

- Responsible for providing safe and effective play-based Occupational Therapy through appropriate evaluation, treatment and education to meet the goals of the child and family.
- Works with the family to plan and implement one-to-one treatment according to the Plan of Care.
- Collaborate with other team members.
- Accurately document evaluations, daily notes and progress reports.
- Adhere to established rules, regulations and laws.
- Work cooperatively with families and fellow staff members with the goal of improving the lives of clients and their families.

Key Skills and Attributes

- Ability to gather information from a variety of sources.
- Able to be prepared to start and end sessions on time and with a plan of treatment.
- Exhibit excellent time management skills.
- Communicate clearly with various parties.
- Ability to complete session documentation within required time frames.
- Experience working with children with Autism, Sensory Integration and Feeding deficiencies a plus.
- Bilingual Skills a plus.

Application requirements:

- Resume
