

This full-time OT position is posted on Indeed. We are looking for someone to work with our independent living and assisted living residents for outpatient Med B OT services. The following is what is posted on Indeed for the position:

\$2,000 Sign-On Bonus! Join our team and grow with us both professionally and personally!

We strongly believe in providing our team members with great benefits, such as tuition reimbursement, commuter benefits, scholarship awards, professional development programs, university partnerships, referral and discount programs, appreciation events, wellness initiatives, and much more!

Acts is currently seeking qualified candidates for our **Occupational Therapist (OT)** position.

- In-house program within a welcoming, slower-paced community environment that delivers holistic care with a strong focus on prevention
- Salary with 75% productivity benchmarks
- No mandated group treatment
- Specialized on-site training delivered during paid work hours, some sessions eligible for CEUs
- State-of-the-art rehab gyms and equipment
- Opportunity to build relationships by following residents across the full continuum of care, including inpatient, home health, outpatient, and fitness services
- Clinically driven, patient-centered treatment decisions guide all programs and care plans
- Positive leadership philosophy that gives our therapists opportunities to provide input into programming, systems, and creative idea sharing
- **Due to our company being a non-profit organization, student loan forgiveness is available after 10 years!**

In this role, you will be responsible for providing occupational therapy services to residents, including evaluations, planning individual treatment programs and goals, actual treatments, discharge planning, and performing other related duties as required. There are exciting opportunities for therapists to grow professionally!
