SIMPLIFY SUCCESS

A person wearing blue medical scrubs is shown from the chest down, holding the hand of another person. The person in scrubs is wearing a green beaded bracelet and a white ID badge. The background is blurred, suggesting an outdoor setting.

"I have loved my job so far as part of the Broad River team at St. Mary of the Woods! I had a great orientation experience and I felt very welcomed. My program director gave me numerous tours of the building (which helped a lot) and she started me out with a light schedule, gradually building me up to more involved patients. These things helped a lot, along with having access to a strong team of great Broad River therapists!"

- Broad River COTA

A Strong Start Makes all the Difference

Starting your first role as a clinician can feel overwhelming...but it doesn't have to be.

At Broad River Rehab, our mentorship program is designed to help you build confidence quickly, develop real-world skills, and feel supported every step of the way.

You won't be left to figure things out on your own, because you'll have a team behind you from day one.

What You'll Gain – A Quick Overview:

- Confidence in your clinical decision-making
- Hands-on experience with real patients
- Videos and trainings on software and programming
- Guidance from experienced therapists and clinical specialists
- Support with documentation, workflows, and best practices
- A clear path from onboarding to independence
- ADP access with resources
- Monthly handouts and helpful tips

A Program Built for Your Success

We've structured our mentorship program to support you from your first day through your transition into a confident, independent clinician.

Your Experience Includes:

- Combination of onsite and web-based trainings
- Onsite facility orientation & mentorship
- Free subscription to CEU360 (unlimited CEs for license renewal and clinical growth for all employees)
- A dedicated Clinical Specialist Mentor
- Five Clinical Specialists always available to support you (their contact information is provided to you in email)
- Live web-based weekly calls with Clinical Specialists for the first 30 days, including topics such as Dysphagia, CPT Coding, Managing Patient Refusals, and much more!
- Documentation training through Broad River's DocAudit™ Program
- Evaluation Series (12 web-based nugget trainings for evaluators)
- Monthly Evidence-Based Practice Resources
- Quarterly Clinical Program Trainings

We also encourage new graduates to ask questions and be a self-advocate for additional one-on-one trainings when needed!

"Being a new graduate, Broad River has done a great job at providing me information and laying-out the steps to completing my onboarding process. I also found it very helpful that when emailing questions, I received answers in a timely manner. The Broad River Rehab Team in South Haven has been extremely kind and helpful during this transition. I continue to learn and gain knowledge at Broad River."

- Broad River PTA

Join a Team that's Invested in Your Growth from Day One.

Broad River Rehab maintains partnerships with colleges and universities to help with recruitment of students and recent graduates. For more information on partnering with us, or if you're currently a student or recent grad, explore opportunities with us today!
